I am getting report after report of people being healed spiritually, emotionally, mentally, and physically from people praying these prayers for other people and for themselves. One commitment you should make before praying these prayers is to choose to do the will of God in your new person! Some people may believe that they don't have a new person. Everyone has a new person and an old person, however, most of the time it is our old person that is in charge or our life.

Every day and in every way, I choose by my new person to submit to the will of my Heavenly Father. Father, I ask you to send Jesus and his angels into my heavenly place and drive out Satan, my Sun and Moon sign, and all zodiac angels. Drive out darkness, sickness, disease, and death. Drive out all the rulers of occult powers in all forms. Drive out the rulers over addictions. Drive out the false images and the worship of false images.

Drive out false worship of people, material possessions, religion, addictions, and money. Drive out all the curses and covenants that have come to me through my parents, grand parents, etc., all the way back to Adam and Eve. Drive out any curses and covenants that I have agreed with through my own choice.

Jesus, come into my imagination and drive out all the curses and covenants in my imagination. Holy Spirit come and fill my imagination with the covenant blessing images of the Kingdom of God.

Jesus come into my memory and drive out every fearful, negative and hurtful image that Satan has caused to come into my memory from the time I was conceived until right now.

Holy Spirit fill my memory with the true images of the kingdom of God. Jesus drive out the male dominating angel and female dominating angel that are over the top of my spirit. Jesus drive out the Antichrist from my spirit along with false power and authority, pride and condemnation, and deception and delusion. Jesus come into my conscience and drive out all the familiar spirits that talk me into agreeing with the false images in my imagination and memory. Holy Spirit occupy my conscience.

Jesus I ask you and the Holy Spirit to come into my mind, emotion, and will and instruct, teach, and encourage me to choose to allow the new person you created me to be, to fully fill and control my personality. Jesus drive out the little child, false servant, female dominating, and male dominating spirit from my personality. Holy Spirit teach me how to live and grow up in the New Person Jesus created me to be.

Empower me to choose to live in the new person you created me to be. Jesus come into my emotions and drive out fear, anger, hate, bitterness, resentment, and thoughts of violence, and murder. Drive out insecurity, ineptness, unworthiness, thoughts of failing, helplessness, depression, hopelessness, despair, thoughts of dying, or suicide.

Drive out the emotional spirit of death and fill me with the emotional spirit of life. Jesus, drive out the physical spirit of death from my body. Drive out nervousness, tension, anxiety, and every sickness, disease, and injury in my body, and heal every bone, joint, muscle, nerve, and organ, and cell in my body. I ask you to fill my body with the physical spirit of life.

Jesus drive out every demon of addiction and all their helpers from my spirit, soul and body. Seal up my spirit, soul, and body so these demons and their helpers can not return to me until the day of redemption.

Jesus, I ask you to drive out doubt and unbelief that You, the Father, and the Holy Spirit do not love me. I ask the Father, Son, and Holy Spirit to fill my spirit, soul, and body. Fill me with Your Love, Joy, and Peace, and let it flow through me and out to other people.

I ask this in the name of the Father, Son, and Holy Spirit, Amen and Amen!
