This target was taken from the Army Pistol 25-meter E-type silhouette with rings, and modified by me. paul@survivalprimer.com, web site <http://www.survivalprimer.com>. The wide space at the left, or this edge, is so that you can punch holes and save it to a ringed binder. 3 April 2004. Paul Phillips, PO Box 38, Yadkinville, North Carolina, 27055
